ICU @ RCH
Intensive Care Unit at the Royal Chilren's Hospital

To give the children something to look at and think about
To make a scary place more cheery

Some of these quilts **remain in the ICU Ward**
they are **washed daily** at the hospital
hence the use of flannelette as the wadding / filling

Sizes & General requirements

The **sizes are precise** because the quilts are going onto particular sized beds and there must be nothing over-hanging

Fabric: Cotton and Poly-Cotton - **bright colours please !!**

Wadding: Flannellette only – a king size flannelette sheet is a good way to buy it, hot wash to pre-shrink (available cheap from the linen warehouse, Beaufort Ave, Bell Post Hill)

Binding: It's quicker and more suitable to 'bag' these quilts

Hint: Choosing a quick bright design means you might make 2 quilts!

NO Buttons or removable embellishments NO Labels

CRIB

19½" x 23½"

COT

27½" x 31½"

SINGLE BED

35½" x 55"
