Workshops at Quilter's Bazaar

Over 100 participants enjoyed the experience of a Quilter's Bazaar workshop over the past year.

Gisborne's position, just a short drive from Melbourne's west, makes it a great place for a one day workshop - wherever you're coming from!

Our workshops are designed to give you the best chance of having your project completed by the end of the class, or just needing minimal finishing, meaning you won't be adding to your UFO collection!

Our group of experienced, friendly and patient tutors will guide you through every step, and we have classes suitable for all skill levels.

Ergonomic chairs, a lightbox, and large class tables are features of our class area, which has easy access to the ever-boiling urn and modern bathroom facilities.

See our website for the latest edition of our class list. We can also run special classes for groups - talk to us about your requirements.

WE HAVE A COFFEE MACHINE!

We proudly serve Organic coffees and teas, hot choc, chai latte, iced coffee and chocolate, and an assortment of cookies and cake of the day.

Find out why so many of our customers say we have the best coffee in town

Coffee, cake, fabric - do you really need anything else?

Planning a bus trip?

Gisborne is between Bendigo and Melbourne, only 45 minutes from Melbourne's CBD. We are less than 15 minutes from Sunbury, and 20 minutes from Melbourne's West.

Please let us know when you're coming so we can boil the urn and organise something special for you.
