

GEELONG PATCHWORK AND QUILTERS GUILD INC.

EXHIBITION CHALLENGE 20105

‘Pearl - Light and Lustre’

As our Guild celebrates its 30th year the Exhibition Challenge will reflect our 30th anniversary with a theme of Pearl - Light and Lustre.

Here are the rules for the Challenge:

- The quilt will be original in design and reflect our exhibition theme. It will be constructed with a minimum of three layers which can include cut outs.
- A hanging sleeve of 4 ins or 10 cms needs to be attached to the back.
- The shape of the quilt background will be any black fabric and square in shape measuring 56 cms or 22 ins. The challenge is to be a circle design measuring 45 cms or 18 ins diameter and centred onto the black fabric. The edges need to be bound and not framed.
- Any fibres can be used and there is no specific challenge fabric.
- Any patchwork, quilting, textile techniques and embellishments are acceptable, so long as there are at least three layers and the quilt hangs flat against the stand.
- This is a judged section by three of the Guild’s life members and there will be Members’ Choice voting at the October meeting.

Congratulations to all those members who have entered and had fun with the theme.
