

Challenge 2020

Theme:

Great Barrier Reef

A piece of challenge fabric will be provided.

It must be incorporated in the body of the quilt, not the binding or the back.

Your finished piece should measure 12 inches by 24 inches and will be portrait orientated.

It will have three layers as a regular quilt or wall hanging does.

It should have a 4 inch hanging sleeve on the back.

It can be finished in any style you choose. (binding, bagged, raw edge, etc)

You can interpret the theme any way you choose but you must attach a paragraph explaining your piece and your interpretation.

It can be done in your favourite style/method. (pieced, applique, etc)

You can use any materials you want to embellish your piece.

It must be finished by the October meeting and handed in to the committee for display and voting on the day.

Hopefully we will be back meeting by then but if not, we will change the deadline.

Anyone that would like to participate in the challenge please email: susanr60@tpg.com.au

Or text or call a committee member and we will organise for fabric to be delivered to you.

Can we please have all names by the 15th July so we can get the fabric divided and sent out.

Thanks and have fun with this.

Sue Robertson
