

Key Tag instructions:

You will need:

- 2x 2 inch x 12 inch strips of fabric (for two colours) or one 4inch x 12 inch strip (for one colour) Don't be tempted to make in smaller than 12 inches, it wont fit around your wrist when finished!
- One 1inch x 12 inch strip of thick iron on interfacing
- One 1inch D ring
- One 1inch split ring
- 1Inch bias maker & iron
- Sewing machine with zipper foot
- Thread (doesn't matter if it's matching or contrasting)

After cutting your pieces:

Or

1. Make the two strips into 1 inch bias, then insert interfacing into one piece and press.

If using one colour, insert and press interfacing. Then fold edges to the middle. Press. Then fold in half and press. To make 1inch strip.

2. Pin then stitch around the edges.

3. Insert D-ring and stitch down approx. 1/4 inch from end, reversing once to secure.

4. Turn, so that seams are in the centre and stitch down using zipper foot. Reversing once to secure.

5. Insert split ring and you're finished
